Dear Mr. Pear:

The Commission has not yet reviewed the environmental impact statement being prepared for the proposed Franklin Delano Roosevelt Memorial. I suggest you get in touch with John Parsons of the National Park Service regional office in East Potomac Park for information regarding schedule and circulation. His number is 426-7750.

In the meantime, we will be happy to show you any records we have regarding the project. Give us a call on 566-1066 if you wish to make an appointment.

All best regards,

Sincerely yours,

Charles H. Atherton
Secretary
